To whom it may concern,

Mr. Adidela Sai Nithin Reddy (B.Tech, Mechanical Engineering, IIT Goa, Roll Number: 160030026) worked in my laboratory on materials development for photocatalysis application for water pollution abatement in the duration of four weeks. He also studied basic of pseudo-capacitors and supercapacitors and involved in materials synthesis for the due applications. He studied materials synthesis by solid state ceramic route, sol-gel and solution combustion routes. Please feel free to contact me for any further informations. He was very sincere and laborious student and a pleasant co-worker to work with in the duration working in my laboratory.

Thanking you  
Yours Sincerely

Dr. Preetam Singh  
Assistant Professor  
Department of Ceramic Engineering  
IIT-BHU, Varanasi, U.P., India
